

# CloudWorms PDF Viewers 2023

## ON LARGE SCREEN

### DESIGN SPECIFICATION

#### Extensible Side Bar Menu

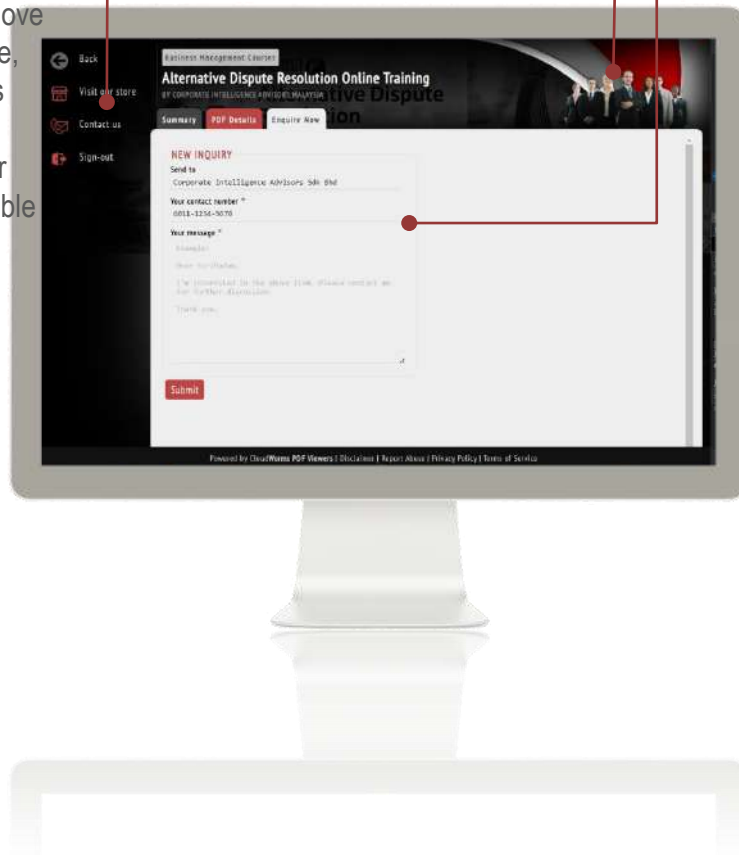

For desktop, this will become side bar instead of bottom bar. More menu items can be added as we move on. On smartphone, future added items will become shrinkable side bar to maximize viewable area.

#### Extra Background Image

Desktop view will contain this additional background image, which is consistent to the web store homepage. Allowing the visitors to see them as one single entity.

#### Online Form Custom Call-to-Action

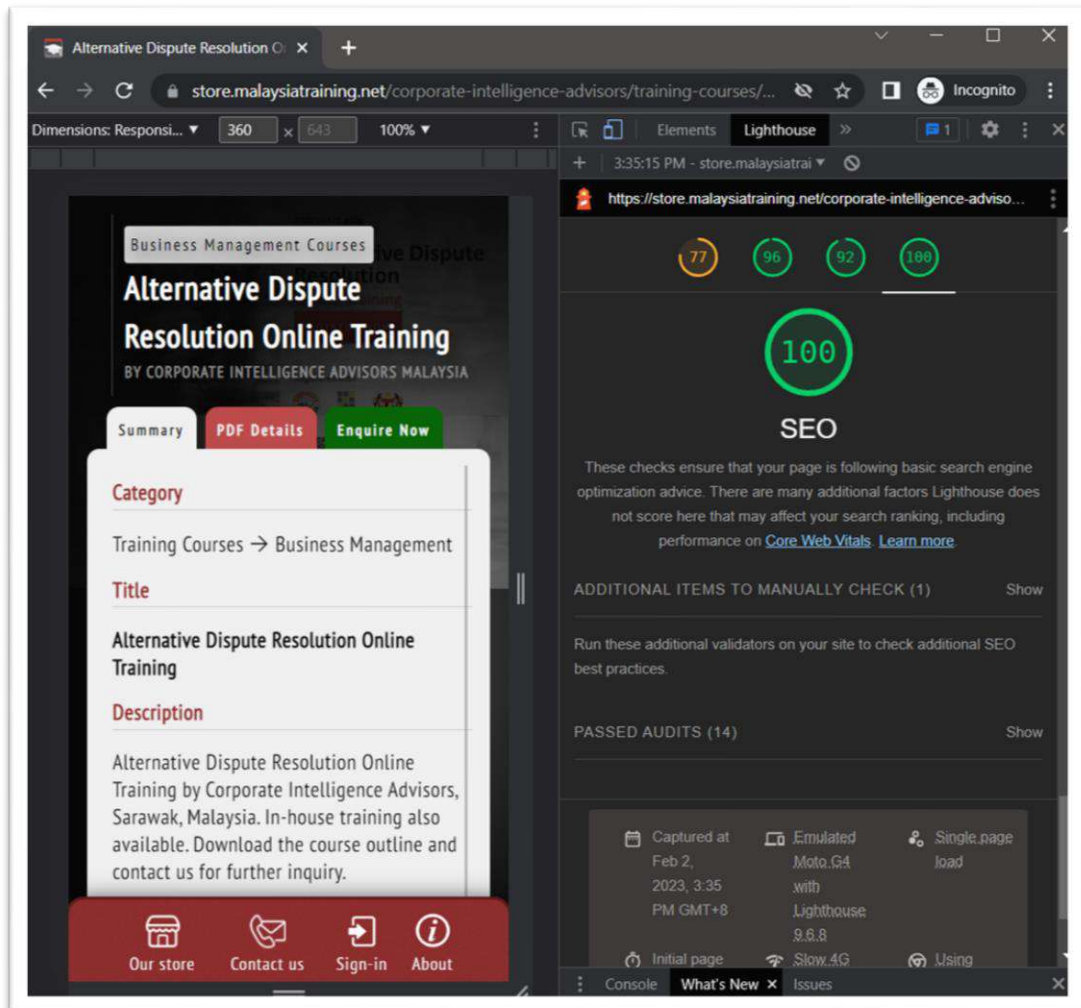

The online form will be loaded here on initial tab click to improve performance.

For more detailed illustration, see our [design specification for smartphone](#).

# Google Lighthouse SEO Performance

**NOTE:** The 77% performance score is still considered above average among many competitors, yet our optimization work is still not fully completed.

The screenshot displays a web browser window with the URL `store.malaysiatraining.net/corporate-intelligence-advisors/training-courses/...`. The page content includes a header for "Business Management Courses" and a main heading "Alternative Dispute Resolution Online Training" by Corporate Intelligence Advisors Malaysia. A sidebar menu is open, showing the "Category" as "Training Courses → Business Management", the "Title" as "Alternative Dispute Resolution Online Training", and a "Description" of the training course. The Lighthouse tool is open on the right, showing an overall score of 77% for Performance, 96% for Accessibility, 92% for Best Practices, and 100% for SEO. The SEO section is expanded, showing a score of 100% and a message: "These checks ensure that your page is following basic search engine optimization advice. There are many additional factors Lighthouse does not score here that may affect your search ranking, including performance on [Core Web Vitals](#). [Learn more](#)". Below this, it lists "ADDITIONAL ITEMS TO MANUALLY CHECK (1)", "Run these additional validators on your site to check additional SEO best practices.", and "PASSED AUDITS (14)". The bottom of the Lighthouse panel shows capture details: "Captured at Feb 2, 2023, 3:35 PM GMT+8", "Emulated Moto\_G4 with Lighthouse 9.6.8", and "Single page load".
